**Amendment No. 1 - University internal grant
competition of CZU within the KA 3 project
Improvement in Quality of the Internal Grant Scheme
at CZU
- Binding rules for applicants and beneficiaries**

For applicants/beneficiaries of University Grant Competition (UGC) projects, this amendment is binding for the entire duration of the UGC project.

Amendment No. 1 clarifies the wording of Chapter 4.2 Changes to the Project as follows:

In this Chapter, the following paragraph is deleted:

In the event that it is not possible to replace the resigning member of the research team either with a new member or by reallocating his/her time to other members of the team, the grant may be suspended as described in the previous paragraph or the grant may be terminated. In case of termination, the unit costs for the last month will be considered ineligible.

and is replaced with the following paragraph:

In the event that it is not possible to replace the resigning member of the research team either with a new member or by reallocating his/her time to other members of the team, the grant may be suspended as described in the previous paragraph, the grant may be terminated or the grant may be continued without the resigning member, provided that the project objectives of the remaining members of the research team can be met. In case of termination, the unit costs for the last month will be considered ineligible.
